POTLUCK: The congregation is invited to attend the Ladies Aid and Mission Society summer picnic this July 8th at 6:00 PM in the church basement. Please bring a dish to pass and table service. Beverages will be provided. We hope you will join us!

VOTER'S MEETING: The voter's assembly will meet on Sunday, July 18th about 10 AM following the worship service. We hope that having the meeting at this time gives more people a chance to attend and do their part as far as attending to the affairs of the church.

COUNCIL: The church council will hold its regularly scheduled meeting next Monday, July 12th after worship.

VACATION BIBLE SCHOOL REGISTRATIONS: Please return your VBS registration forms as soon as possible. We use these numbers to order supplies for the week. If you have misplaced your form, there are some available on the table by the bulletin board or just call the church office (532-2162) and we will take your registration over the phone or you may register on our church website – www.christlutheran-marshallmn.org.

CLYF: We have picked Tuesday, July 13th as the day we will head to Valleyfair. To get the group rate we need to have 15 people. We hope to be able to get this number between students and chaperones. In order to plan accordingly we need to know ASAP if you are planning to attend. So please call Pastor or Cindy Nelson and reserve your spot. We will plan on leaving from the Samuel parking lot at 8:00 AM and spending the entire day at the park leaving about 10 PM when the park closes. Parents we need drivers for this day so if you are able to do so please speak to Pastor. CLYF will be picking up most of the cost for the tickets. We are asking that each student contribute \$10 to help offset the cost. This is still less than half of the price of a ticket. You will be responsible for all other costs during the day like lunch, supper and any other goodies you want to purchase.

JESUS CARES MINISTRY PICNIC: Friday, June 25th our JCM hosted our summer picnic which was to be held at the courtyard of the REM home. With the weather looking to be a threat, we decided to set up inside at Samuel School. Over 60 quests, those with special needs, their staff and six Christ volunteers, were enriched by a group of seven college students who hosted a "day camp". Their activities were to include karaoke, crafts, games and skits. Due to the tornado sirens, everyone headed to a safe part of the building for about 15 minutes. Half of the guests stayed after the "all clear" to hear the best skit of all - that of our Lord's resurrection. The college students acted out the skits with the help of our guests who were left. Summer Ministry Experience (SME) is The Lutheran Home Association's two-month program, designed to provide a special ministry experience for WELS and ELS college students as they prepare to become congregational leaders. They spend time preparing their day camp activities and skits, visiting churches that are getting a JCM started and working a week at Camp Basic. Please pray for this group's safe travels, and that the Holy Spirit use their experience to further the Kingdom of God. Also, please pray for
