**Clean-up:** On Saturday at MVL, our school is responsible for clean-up. That would include the cafeteria at times during the day, and also at the end to clean the bleachers area.

**Grades 3 – 5 Junior Achievement:** A big thank you to Melissa Bresnahan from Schwan's for presenting the Junior Achievement – Our Nation in Mrs. MacArthur's class this month. This program discussed the globalization of business along with the need for workers with STEM skills – science, technology, engineering, and math.

**Shoot-out:** The fund raising shoot-out for the new backboards that was held resulted in a collection of \$281. It was kind of amazing that three people actually made their free throw, three pointer, and half court shot! Congratulations to them and thank you for supporting this event.
