MailChimp: This is a professional email communication tool that Christ Church and Samuel school are making use of as a way of communicating to our families. We feel this will be a great tool in our technological society. We need every church and school family to sign up now. It's easy, all you have to do is go to the home page of the church/school website, www.christlutheran-marshallmn.org and click the join our mailing list on the left hand side of the page. Even if you receive the Cougar Chronicle via email, you still need to go in and join our mailing list since in the future we will be using this service to design and send the Cougar Chronicle. This is a safe and secure site that many schools and businesses use. (Our own church body, the Wisconsin Synod, uses this means of communication.) Please take a minute now to sign up. Thank you.

Snow Removal: We need people to volunteer to take a week or two to remove the snow from school. There are shovels and a blower at school. Please sign up on the sheet by the bulletin board at church.
