

**SAMUEL LUTHERAN SCHOOL FUNDRAISING
2022 - 2023**

1. **Box Tops for Education** (www.boxtops4education.com) – Download the app to earn \$ for our school! Scan your receipts with 14 days of purchase. Look in the app for information about submitting paper, digital, and email receipts. Most of the traditional paper Box Tops have phased out, but you may continue to turn them in as long as they are available.

2. **Cartridges for Kids** (www.cfktday.com) / **Funding Factory** (www.fundingfactory.com)
We participate in two cartridge **recycling** programs, but the list of acceptable items is very specific. Most remanufactured cartridges are no longer accepted. If you are sending in a large number of cartridges, please consider looking at www.fundingfactory.com and www.cfktday.com to see if your cartridge is on the current list. The list of acceptable items and their values changes throughout the year so your help is appreciated! Current recyclable items include toner cartridges (not toner tubes), inkjet cartridges, cell phones, laptops, tablets, and iPads. If possible, please include all power cords for the laptops. **Please disable the “Find My Phone” feature if you send in an iPhone.**

3. **Coke Rewards** – Visit [Give \(coca-cola.com\)](http://Give.coca-cola.com) to donate codes from Coke products which are converted to cash for Samuel Lutheran School. If you would rather send in your codes to school or church, the points will be donated for you. The code values on bottles and cartons range from \$0.05 to \$0.38.

4. **Amazon** – Go to **smile.amazon.com** to support Samuel Lutheran School by donating .5% of eligible purchases at no cost to you. This feature may also be activated through the regular website.

5. **Goodsearch.com** – Sign up Wisconsin Evangelical Lutheran Synod as the designated cause and your online searches through this website will benefit our WELS synod. You can also shop online through this website (**goodshop.com**) and a percentage goes to WELS.

6. **Pop Tabs** – Collect pop tabs for the Ronald McDonald Houses. The class with the most pop tabs by weight per student will receive a treat at the end of the school year.

7. **Aluminum pop cans** – Please put in plastic bags.

Please drop off the pop cans at school, but the remaining items may be brought to church or school. Your help is greatly appreciated! If you have any questions, please contact Mrs. MacArthur by calling her at 532-2162 or emailing her at amacarthur@christlutheran-marshallmn.org.

Thank You!
