Pioneers: Pioneers will meet on Sunday, April 18th from 1-3 PM. We will be doing an Earth Day activity. We will meet at church and have a short discussion about Earth Day and why we need to take care of the Earth God created for us. We will then walk around the church, parsonage, and head to Liberty Park and just pick up trash that is on the ground – do a bit of community service. Pioneers is open to students in grades 1-8 who are members of Christ Lutheran Church.

6-8 Grade Softball Tournament: The softball tournament will be held on Tuesday, May 18 this year at Caswell Park in Mankato. Be on the lookout in the next couple of weeks for an email from Mr. Obry asking for drivers. We don't have information on start times for games, but generally we leave right away in the morning and then get back around supper time depending on how well we do in the tournament.

School Calendar: If you have your yearly school calendar, you see that we have Monday, May 3 as a scheduled day off for the Track Meet. This meet is not happening like it has in the past so we WILL have school on Monday, May 3, but will NOT have school on Friday, May 7 as we will be heading to Watertown, SD to Great Plains Lutheran High School for their Field Day. This day allows students in Grades 1-8 to attend. There will be races in the morning and then field events in the afternoon. The day starts at 9:30 and ends by 3:00. I do not have all the information yet, but am told that I will receive it about two weeks beforehand. Transportation for this event will work like the Track Meet in past years where parents will be expected to drive their children to the event or work out carpooling with other families. Please make note of the date so you can plan for it within your work schedule. Please contact Mr. Obry with any questions you have on this change or on the Field Day event.

Activities Banquet: Another schedule change from what is on the yearly school calendar will be the date of our Activities Banquet. This will change from Tuesday, May 18 on the calendar to Tuesday, May 25. Mr. Obry is still working out the details on this, but we will probably be holding this in the gym to hand out awards and acknowledge accomplishments and, at this point, more than likely not having the "banquet" portion. More information will come in future Cougar Chronicles and emails.
