School Door/Security Project: At the July Voters' Meeting of Christ Lutheran Church, the voters approved a motion to move forward with a project to upgrade the locking system of the doors at Samuel Lutheran School. This includes the locking system, the wiring, and a new front door to the entryway. The total cost for the project is estimated at \$41,000. To date we have raised \$40,439.84 through money that has been given in previous years to a gift fund and through donations that have been given directly towards this project. If you would like to give to this project, please send your check to the school's office at 500 Village Dr. You can make the check out to "Samuel Lutheran School" and please include "school security" on the memo line. If you have questions on the project please contact a member of the Board of Education or Mr. Obry.

School Wish List: The school has created a wish list on Amazon for different products that the school in general or specific classrooms could use. Please check it out at <https://amzn.to/3QKkE4I>. Also, please remember to use smile.amazon.com and choose Samuel Lutheran School as your organization to support when you make purchases as we will receive a percentage as a donation.
