Lutheran Schools Week: We are celebrating Lutheran Schools Week this week. Throughout the week the younger students have been making tie blankets that will then go to residents in hospice and the older students are making Valentine Centerpieces for hospice's tables. Both of these are part of our service learning projects that we try to tie into this week. It was great to see so many parents at our breakfast and chapel this morning! We are happy you could come. Finally, on Friday afternoon we will be having a "snowball" fight and other fun activities in the gym. The faculty would like to thank all of you for your efforts to make our Lutheran school a great school and for working with us to help provide your children with an all-around education. I would also like to take this time to ask that as you go through your daily activities and meet other parents in our community that we could serve with our school that you are able to help us get the word out about Samuel Lutheran School. Have a wonderful week!
