8:30 am Chapel

Soccer: Samuel is looking to start a co-ed fall soccer program next year for students in grades 3-8. In order to prepare for that, we are getting more acquainted with the game of soccer through phy-ed and some soccer practices. Pastor Manian will be teaching a few sessions of phy-ed during the end of September and the beginning of October. We are also going to have a couple of soccer practices on Friday, September 27th and on Friday, October 11th with both going from 3:00-5:00. We are in the stages of planning a scrimmage for this fall against St. John's Redwood. Second grade students are welcome to come to the practices but if we have a scrimmage they might not play for their own safety.

If your child is only participating in phy-ed there are no special requirements for them, other than that they have descent phy-ed shoes for running and kicking like any other outdoor activity. If they are interested in joining us for practices and/or the scrimmage they must have shin-guards and socks that are able to cover the shin guards entirely. Having a pair of soccer cleats will help them keep their feet while playing on the grass, but they won't be required at this time. We will have a few soccer balls for them to use, but if your child has their own ball to bring along, that is always helpful. Bringing their own water bottles to practice is also a good idea.

If you have further questions about the soccer program, or are willing to be an assistant coach/responsible adult at practice, especially if Pastor Manian gets called away on an emergency visit, please contact Pastor Manian at pastormanian@gmail.com or Ryan Obry at robry@christlutheran-marshallmn.org.

SMSU Parade Volunteers Needed: Our school will have an entry in the SMSU parade on Saturday, October 12th. We are looking for parent volunteers to be on the float committee. Please email the office if you would like to help. Thank you!

September Birthdays

Kaylee Sandquist-1
Lucas Grohs-2
Jeremiah Prah-4
Evelyn Prah-6
Kiptyn Kesteloot-8
Katherine Prah-19
Braiden Eulberg-22
Natalie Noble-22
Isaiah Prah-24

Middle School Speech: The Marshall High School Speech Team will be creating a "C-Squad" this year that will include grades 7 and 8 from Marshall Middle School. Any interested students in these grades from Holy Redeemer, True Light, and Samuel Lutheran will also be invited to join this C-squad team. This will be getting going in November. We will pass on more information once we receive it.

Volleyball Results: The game against Redwood Falls the B-team played 3 games they worked really hard. The first game was a good game but we won 21-14. The second game was really close but we lost 24-26. Then the last game was a good short game but we won 15-9. Then it was the A-teams turn the first game was a really good game and we won 25-14. Then the second game was really good and we got our serves over and we won 25-14. Then the third game was also a short game but we won 15-3.

Scholastic Book Fair is Coming! The Scholastic Book Fair will be held November 4-8. The faculty is working on setting up a "Fall Into Reading" activity for preschool-2 grade students at the school to help kick off our book fair on Tuesday, November 5. We will be inviting people from the community to this activity as well. We are also working on a flyer to hand out in the SMSU parade to invite people to this activity. Please watch your future emails and the Cougar Chronicle for more information.

Christmas Greenery: The CLYF will be selling Christmas greenery again this year. We will take orders October 6th, October 13th and October 20th. We ask for payment at the time the order is placed. Orders will arrive by Thanksgiving.

Box Tops: It's National Box Tops week! Any receipts with participating products from 9/12/19 to 9/22/19 will receive **double credit!** Are you one of Samuel Lutheran School's parents, teachers, or friends who has scanned receipts into the new Box Tops for Education app? Thank you! Since July, our supporters have earned \$63.00 through the new app. It's easy! The app also shows current available bonuses. Remember that receipts must be **scanned within 14 days**. If you are unable to scan receipts (or would rather not), you may send your receipts to school so someone may scan them for you. Your receipts will be tossed into the garbage once they have been scanned. (You may block out your payment information on the receipt if that is a concern.) Please remember to send to school all clipped Box Tops that you have also as well as Coke caps. If you have any questions, please call the school or email Mrs. MacArthur.
